The Daylight Store

GREAT VALUES

The following Wash Goods, Umbrellas and Silks are purchases made by us at much less than cost of production. Usually these values are held until a little later, when business is more quiet than usual, to increase business. This time they go when people want them most. They will all be on sale by the time that this notice reaches you.

WASH GOODS.

Every fashion magazine calls for Voiles. Here is a large purchase in 12 1-2c and 15c Voiles in brown, navies, tans and figures. This purchase reduces the price to 9c per yard.

One lot of Lanark Dimities. These are 15c values and come in mostly small figures for children's dresses. This purchase at 10c per yard.

Large lot of White Mercerized Waists in an assortment of patterns and values. Your choice of this lot at 23c per yard.

UMBRELLAS.

We have had at times Saturday Bargains on Umbrellas and all kinds of values, but never such values as you will find in this purchase.

The first is a fast black Umbrella, with trimmed congo handles, for only 50c.

The next comes in four prices. All are made of silk Gloria, selvedge edge, covered with a silk cover and have silk cord. \$1.50 buys the trimmed Horn handles, \$1.87 buys the Princess handles, \$2.00 buys the Solid Sterling Silver handle and \$2.50 buys the either Gold Plated or Solid Silver handles. Bought regularly, would cost nearly double.

PONGEE SILKS.

Some time ago we had an opportunity to purchase an assortment of Colored Figured Pongee Silks. These goods are made to sell at 65c or 75c. They are CHENEY BROTHERS' all pure silk. Now we are to make a little noise with them at 39c per yard. Send for samples.

Here is a purchase of Colored Taffetas in very nearly all colors, made of best yarn dyed silk. The only silk that you can use colors of and have wash perfectly. Makes very nice undershirts, shirt waist suits or children's dresses. Would be a good silk at 65c or 75c. This purchase at 50c per yard. Send for samples.

The "Bell Boy" Tonight.

"A Bell Boy," that extremely funny bunch of music, pretty maidens and laughable situations will be presented tonight at the opera house. The title role of the mischievous Bell Boy is in the hands of the clever young comedian, Johnny Galvin—to see him once is to see him again. He is ably assisted by little Miss Ella Galvin, the charming singing soubrette. Miss Irene Drew is seen to great advantage as the Widow Lovell, a fly flirt. Mr. James Harris as A. J. Hawk, has a character part which he handles to the best, and Ned Nelson and James A. Grady as Doogan and Coogan cannot be excelled as comedy boomers. Taking all in all the show is a laugh a minute from the time the curtain goes up, until it goes down.

A Show Worth Seeing.

The Herald Square Company promises an attraction of rare excellence, consisting of high-class specialties and the latest novelties in moving pictures. Another feature, always enjoyed, will be found in the Illustrated Songs which embody some of the very latest hits. Some of these illustrations are Moving Pictures instead of the usual song slides. The moving pictures offered cover the very latest comical and sensational subjects, including "Reuben and Mandy at Coney Island," "Life of an American Fireman," "Uncle Tom's Cabin," "The Great Train Robbery," "Roosevelt's Inauguration," "The Bull Fight," and battle of the present Russo-Jap. war, all of which can be seen with The Herald Square Moving Picture Company, which will appear at the Barre Opera House, Friday, April 28.
